

AUTHENTICA CREATIVE

HI LOVERS!

We're so glad you're here!

That means you're getting married to your one and only and are now looking for someone to capture your special day.

You've no doubt spent hours researching and stumbled upon us. We are truly humbled that you may want to work with us.

Let's take a minute for you to get to know us a little better...

We're Anna and Sean, partners in life, crime, travel and everything creative.

We have been super fortunate to have captured many memorable weddings for some amazing couples like you in Australia and around the globe.

Anna has a thing for still images and Sean a thing for video, which makes us the perfect combo.

Working as a team ensures that we both get the perfect shots without stepping on some strangers toes.. Literally.. Awkward..!!

OUR STYLE

We believe every couple is unique, and every wedding should be too. This means that for us, the most important thing is to ensure that we're a great fit so that we can give you what you exactly what you want, on your wedding day and beyond.

We love nothing more than guiding our couples on their wedding day to achieve the best possible creative results.

While we don't like staging things, we do think it's important to gently orchestrate moments that will allow you to fully embrace the emotions of your special day and create memories that will last a life time!

Our editing style is contemporary and warm, while still staying true to the colour palette of your wedding day.

WHAT OUR COUPLES SAY ABOUT US

LEAH + PETER BUDERIM WEDDING

“Peter and I can not thank Anna and Sean enough for capturing our wedding day. They are both such wonderful people who took so much care into our special day. They have given us the most amazing pictures and videos for us to remember.

Anna was so easy to communicate with and responded quickly to any questions. We received our beautiful box with our photos so quickly after our wedding. We are so so happy with our experience with Authentica Creative and could not recommend or thank them enough.”

HANNAH + ELLIOTT WEDDINGS AT TIFFANYS

“Anna took the photos on our wedding day, our engagement shoot and for the hens! Both hubby and I were completely at ease the entire time. Anna’s style was exactly what we wanted - light filled and natural. Highly recommend!”

MEGAN + KAI STRADBROKE ISLAND WEDDING

“Anna and Sean captured our wedding back in October and did such an amazing job of the videography! I was on tears watching it! They really have a gift for capturing raw emotion and the 'feel' of the day! Both Kai and I are usually a little camera shy, but we didn't even notice Anna and Sean filming during the day. It was all very relaxed and natural. Just the way we like it. We would totally recommend Authentica Creative for your videography needs!”

EMMA + MATT WOODFORD WEDDING

“Anna was amazing! She made my husband and I feel so natural in front of the camera. So great to have her being a part of our wedding, wouldn't have had it any other way!”

ANNEKA + KAYDON FACTORY 51 BRISBANE

“We couldn't be happier with the service we received from Anna and Sean. Anna was very thorough in answering all of our questions before our wedding, and providing recommendations when needed, but also being accomodating of what we wanted. Many people at our wedding commented that they liked that both Anna and Sean were not pushy, and were quietly capturing our precious moments. They were a pleasure to have capture our day and were great at providing direction on what to do, so we didn't feel awkward in front of the camera.”

LEAH + DANIEL BAREFOOT BYRON BAY

“Absolutely amazing team capturing stunning, natural pictures. They were amazing from start to finish! So happy that I had them alongside me. Highly recommended!”
